Washington, D. C., Oct. 9.-Reports that President Roosevelt wants to be senator from New York to succeed Sen-

ator Platt are being revived here.

The president, on the authority of men intimate with him, not only degireto be senator after he ends his present term, but frankly admits that ambition. Moreover, he considers the trend of things in New York politics at this time distinctly favorable to his ambition, and do his friends. He is being looked to more and more as the leader of New York politics, and is being con-sulted by State Chairman Woodroff and other leaders almost daily. His closest friends declare he brought about the nomination of Charles E. Hughes, while avoiding the appearance of doing so, Mr. Roosevelt's warmest supporters

catarrhal sections.

When this treatment is used in catarrhal troubles, there is no stomach dosing, for the medicine is taken in with the air you breathe, and goes right to the spot where the catarrhal germs are present, healing the inflamed and irritated mucous membrane, killing the disease germs and entering the blood with the oxygen, driving all catarrhal gorms from the system.

Do not try to cure entarth of the head by putting medicine into your stomach—this is neither a scientific nor common-sense treatment. Breathe the healing balsams of Hyomei and in a few days you will notice relief, and its continued use will result in a complete and lasting cure.
